Date: 13/03/2020

**Name of Work: - REPAIRING OF DAMAGED WATER PROOFING AT VARIOUS LOCATION
AT RAJA BHOJ AIRPORT, BHOPAL.**

The Tender for the above mentioned work has been Published on CPP portal on 14.02.2020 with last date of submission & date of opening of bid on 26.02.2020 and 03.03.2020 respectively. Bid manager was on Official tour to Pachmadi from 03.03.2020 to 05.03.2020 Hence due to administrative reason e -tender opening date was extended on 06.03.2020. But while preparing the corrigendum on CPP portal instead of clicking on extension button, retender button was clicked. While opening the e-tender on 06.03.2020 tender was not available on CPP portal. After enquiring on CPP portal Help-line it was found that the tender was re-tendered and date of submission and opening were extended to 06.03.2020 & 09.03.2020 respectively. The bid was further auto extended with date of submission & opening on 13.03.2020 & 16.03.2020 respectively.

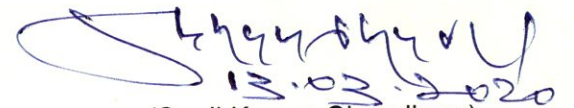

A query has been received on 12.03.2020 that tender Document is not available on CPP portal.

Considering the above fact, it is recommended to cancel the said e-tender and call fresh e-tender to avoid complications with the bidders.
