The above mentioned tender which is already published was not opened due to Lockdown for Covid19 the said tender could not be opened as committee members were not available.

Approval for opening of tender after Lockdown-1 was put up under note-7 to note-13, the said proposal was returned back to MM Deptt with remarks under note-16 to take further action on MM files as per Office Order no. AAI/RHQ/WR/IR/2020 dated 12.05.2020 & no. AAI/RHQ/WR/IR/2020 dated 01/06/2020 regarding Implementation of Organizational Restructuring has informed that the

reporting of the HODs, as stated in these orders will be effective from 15.06.2020.

The present proposal alongwith other proposals was discussed with Competent Authority ie GM(HR) and it was suggested that due to Austerity measures Competent Authority has instructed to take confirmation from the indenting department whether the procurement can be postponed/hold position.

Email was sent to GM(ATM) HoD of the indenting department regarding Procurement of Flight Progress Strip Holder and confirmation from the indenting department whether the procurement can be postponed/hold position. GM(ATM) has confirmed that due to comparatively low traffic volumes presently the procurement can be postponed till September 2020 and initiate procurement action in October 2020(Receipt no. 549315) likely to be formed.

Presently, as per the email confirmation it is proposed to cancel the tender which was published in CPP portal. The tender can be cancelled as per para 5.3 of Sector V of the tender document where there is a provision for cancel of tender without assigning reason thereof (Receipt NO. pg.34, General Conditions of contract, Tender Document) .

Submitted for Approval for cancellation of tender please.
