## Technical Evaluation Report

Name of the Work  
CPP BID NUMBERSupply of Network Infra items for Barapabi Airport  
2020\_AAI\_45516\_1

| S.No. | Parameters                                                                                                                                                  | M/s Alpine                   | DATA LINK                    | HUE SERVICES                 |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|------------------------------|------------------------------|
| 1.00  | Tender Fee – Rs.590/-in the form of Demand Draft drawn from any                                                                                             | MSME Exemption Claim/Granted | MSME Exemption Claim/Granted | MSME Exemption Claim/Granted |
| 2.00  | EMD Rs 5000/-                                                                                                                                               | MSME Exemption Claim/Granted | MSME Exemption Claim/Granted | MSME Exemption Claim/Granted |
| 3.00  | Undertaking-cum-Declaration                                                                                                                                 | Complied                     | Complied                     | Complied                     |
| 4.00  | Should have GST Registration.                                                                                                                               | Complied                     | Complied                     | Complied                     |
| 5.00  | Should have Permanent Account Number (PAN).                                                                                                                 | Complied                     | Complied                     | Complied                     |
| 6.00  | <b>Eligibility Criteria (VALUE OR QUANTITY)</b>                                                                                                             |                              |                              |                              |
| 7.00  | Should have annualized average financial turnover of Rs.75000/- (30% of the estimated cost) during last three financial years ending on <b>March-2018</b> . | Complied                     | Complied                     | Complied                     |
| 8.00  | conformity of AAI Technical Specifications.                                                                                                                 | Complied                     | Complied                     | Complied                     |
| 8.1   | 8 Port Manageable Switch with minimum 02 SFP modules with fixing ACCESSORIES in 19 inch Rack                                                                | Complied                     | Complied                     | Complied                     |
| 8.2   | Dual Channel Synchronous RS 232 to Ethernet Converter                                                                                                       | Complied                     | Complied                     | Complied                     |
| 8.3   | Ethernet Cable CAT 6                                                                                                                                        | Complied                     | Complied                     | Complied                     |
| 8.4   | Ethernet Patch Cord CAT 06 LENGTH 50 CM                                                                                                                     | Complied                     | Complied                     | Complied                     |
| 8.5   | Ethernet Patch Cord CAT 06 Length 01 meter                                                                                                                  | Complied                     | Complied                     | Complied                     |
| 8.6   | Ethernet Patch Cord CAT 06 Length 02 meter                                                                                                                  | Complied                     | Complied                     | Complied                     |
