Sub.: Comprehensive Annual maintenance Contract for SCCTV system at Tiruchirappalli Airport.
Ref.: Tender No. AAI/TR/AS/SCCTV/CAMC/.dated 13.05.2020
Sir,

The competent authority is pleased to approve your final offer for the Comprehensive Annual Maintenance contract for the SCCTV System for the year 2020-21 at Trichy Airport. You shall take over the contract with in 30 days from the date of issue of this Work Order.

As per your offer of rates for CAMC for each item mentioned in your letter after incorporating the GST, the final rates were calculated with the revised items for CAMC and the Comprehensive Annual Maintenance contract for SCCTV system at Trichy Airport for the year 2019 is awarded for an amount **Rs. 2276161.00 inclusive of GST(Rupees Twenty two Lakhs Seventy Six thousand one Hundred and sixty one only)** subject to the following Terms and Conditions

1. Pursuant to the Bidder acknowledging the work order, the Bidder and AAI shall promptly make an agreement in non-judicial stamp paper of Rs.100/- and in no event later than 15 days from the date of acknowledgement of the work order.
2. The annual maintenance contract is comprehensive in nature and the contractor shall maintain the equipment as per manufacturer guidelines, standards and shall use standard components for replacement as per OEM's specifications. The contractor shall not use any spurious components for replacement/repair and shall use only the original OEM spares as & when required. All such replacements shall be done with the prior approval of the CNS In-Charge and the genuineness of such spares shall require the certification from the In-Charge of CNS Department, AAI, Trichy International Airport before the maintenance is undertaken.
3. The CAMC will be **valid for a period of one year with effect from the date of signing of agreement and the contract shall be extendable on mutually agreed terms & conditions for one more year subject to satisfactory performance and approval of competent authority.**
4. The successful bidder shall submit a Contract performance guarantee (in lieu of Contract Performance security) of the value equivalent to 10% (ten percent) of the contract value in the form of an irrevocable and unconditional bank guarantee on any scheduled commercial bank as per Performa attached. The guarantee shall be submitted within 30 calendar days of the issue of letter of acceptance of his bid, and will be valid till 90 days after the end of the expiry of the contract. The performance guarantee will be returned to the successful bidder at the end of the period of liability without interest.
5. After award of work to the firm, a joint inspection will be held immediately at site for assessing the serviceability of the SCCTV system. Any item found defective during this joint inspection prior to handing over the SCCTV system to the contractor for CAMC will be jointly noted down by either side and the same shall be got rectified by Contractor on payment basis as one time measure. AAI will endeavor to hand over the SCCTV system in fully serviceable condition to the contractor

6. The CAMC includes Break Down maintenance and periodic preventive maintenance. The maintenance Schedules to be followed will be given at the time of taking over the contract by CNS In charge.

7. Trained technician who is conversant with the operation of IP based surveillance CCTV system and has experience in trouble shooting common faults shall be stationed at the airport Daily from 0930 to 1800 hrs. except Sunday & national holidays and contractor should provide manpower to attend any number of complaints on 24hrs basis. In case of major breakdown, additional technical personnel or the service engineer of the firm may be deputed to this site, if necessary, to assist the resident technician in rectifying the fault in the shortest possible time i.e. the breakdown time shall be kept as minimum as possible.

8.. The breakdown to be attended within six Hrs. The breakdown time shall be kept as minimum as possible. The penalty clause will be imposed as per the Tender Document in the case of delay in clearing the fault.

9. Payment for CAMC will be released on quarterly basis after successful completion of every quarter and deduction of penalty, if any on submission of bills along with certified copies of ESI and PF documents being statutory requirement. AAI shall deduct income tax and make other applicable recoveries from running bill payments as per prevailing rules. TDS (Tax deducted at source) certificate, however, shall be issued to contractor. No advance payment shall be made to the firm.

10. CAMC vendor shall provide PF, ESI whichever/wherever applicable details of the maintenance staff deployed at AAI within one month of the issue of the work order. Also, the vendor shall submit necessary proof in respect of the disbursement of PF and ESI for the maintenance staff deployed at AAI. This shall be required before release of the payment.

11. The 100% of the charges minus the penalties / recoveries if any shall be paid after the successful completion of each quarter.

12. The vendor shall have to submit invoice with GST at the time of claiming Quarterly payment against CAMC services.

13. The payment shall be governed by the Govt. policies and any taxation applicable at source shall be deducted from the quarterly payment. In case of any such deduction, the necessary certificate in due format shall be provided by AAI.

14. For any loss or damage to the AAI installations due to faulty or poor maintenance, the contractor shall be liable for compensation to the extent of damage done. AAI shall have full authority to get the damage rectified at the contractor's risk and cost.

15. The CAMC can be terminated by either AAI or contractor with notice of three months. Contractor shall handover the system/equipment in fully serviceable and functional condition at the time of closure of maintenance contract. Else, the defects shall be rectified at the risk and cost of contractor.

16. AAI shall terminate the contract and takeover the system maintenance at any time without notice, in case the services are not found satisfactory. Under such conditions, all the defects shall be rectified at the risk and cost of contractor.

17. The number of items indicated in the schedule of quantities may vary maximum of 30% during the contract period at the discretion of the In-Charge of CNS Department, AAI, Trichy International Airport. AAI reserves the right to increase the schedule of quantities during the contract period without any change in unit price and other terms and conditions of the contract. If any changes occurred in schedule of quantity,

18. Sub contracting of CAMC work to other vendor in any form/manner is strictly prohibited. At any point of time, if it is observed that contract is subcontracted, the contract shall be liable to be terminated and performance bank guarantee may be forfeited.

19. Contractor is responsible to get the Airport Entry Pass (AEP) for maintenance staff deputed to execute this contract. If any expense occurs related to AEP, contractor shall be liable to pay. It is the responsibility of the contractor that the maintenance staff does not involve in any other matters of AAI or other agencies in Airport and their duties are strictly restricted to maintenance of SCCTV System under the purview of this contract.

20. The bidder shall visit the site prior to submission of the Acceptance Letter for the purpose verification of items and understanding .

21. The contractor's staff working at the Airport shall comply with the Airport discipline & Airport rules. Least inconvenience to passengers and other user agencies must be ensured while executing the work in the airport premises.

22. Airport entry passes for the contractor and his staff shall be recommended by AAI. The contractor shall be fully responsible for obtaining the entry passes for his officials. Cost for airport entry passes shall be borne by the contractor. After expiry of CAMC, passes should be surrendered in the office of the pass section and intimation should be given to Dy. Gen. Manager (CNS)

23. The entire contractor's staff shall behave in an orderly manner and shall not indulge in any activity beyond the scope of the contract. Any staff violating the clauses / Airport security rules and discipline shall be removed by the contractor immediately under intimation to this office.

24. Any damage to AAI property shall be recovered from the bills of the contractor and hence utmost precaution should be taken during maintenance of the system. The contractor shall be fully responsible for any accident that may occur to his workmen during the course of his duty at the airport. All medical expenses for his workmen shall be borne by the contractor.

25. During the period of maintenance contract, AAI may add or modify certain equipment from the CAMC contract. The contractor shall have no objection to such addition / reduction carried out by AAI through a third party and he will continue to maintain the original equipment covered under the Scope of this CAMC as per the same terms and conditions. AAI will intimate him in advance of such modification.

26. The system shall be handed over back to AAI in fully serviceable condition on expiry / termination of the contract. Any defects etc. observed at that stage shall be rectified at the

contractor' risk and cost. Decision of AAI officer in charge in this regard shall be final and binding.

27 .In case of premature termination of contract by AAI for any reason not attributed to the contractor, AAI will issue one month's advance notice to the contractor to this effect. The contractor will also have the option to terminate the contract by giving one month's notice without any loss of deposit.

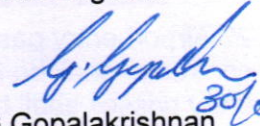

28. If necessary, for any reason whatsoever, AAI may extend the CAMC contract for a period of three months beyond the date of expiry of this CAMC. In this case, it shall be binding upon the contractor to continue the CAMC for the extended for a period of 3 months at the same accepted rates of this CAMC. AAI will intimate the contractor regarding such extension at least 15 days in advance.

29. The Periodical Maintenance Schedules for the maintenance of the SCCTV system will be given at the time of taking over the contract by the CNS in charge and the SCCTV system should be maintained as per the Schedule.

30. All the other Terms and conditions should be strictly followed as mentioned in the Tender Document.

31 ..Kindly acknowledge the receipt of this letter.

With Regards
