CORRIGENDUM-II

(Tender ID : 2020_AAI_53923_1, 2020_AAI_53923_2)

AAI/Shimla/OPS/Non QCBS-MESS/2020

Dated: 10.08.2020

Name of work : Non QCBS-Mechanized Environmental Support Services (Up-Keeping) at Civil Airport Shimla.

Due to technical reason retender is initiated. A revised critical dates may be referred for application. Clarification is applicable for Tender ID 2020_AAI_53923_1 & 2020_AAI_53923_2.

Clarification by bidder	Reply by AAI
Point No. 1: (Pg. No. NIET 1) where the estimate cost is written Rs. 67,86,428.00 (Including PF, ESIC, Bonus) but on the (Pg. No. SCC 33, Clause 33.2) stated that the quoted rate should not include statutory labour components of PF, ESIC and Bonus as per the prevalent Govt. guidelines. The same may please be cleared whether we have to add the EPF/ESIC/Bonus with Minimum wages at the time of quoting our rates or not.	Quoted rate should include statutory labour components and reimbursement of PF/ESIC/Bonus and other statutory labour components as per prevalent Govt. guidelines shall be made only after receipt of documentary evidence of payment to labour engaged under the contract.
Point No.2 (SCC 27, Clause 29.2) Supervisor 01 Operator 01 Sweeper 05 (Total 07 persons) are mentioned, whether we have to calculated all expenditure i.e. Minimum Wages, EPF, ESIC, Bonus, Charges towards Material/ Machinery/Dress and profit margin for quoting our rates in per month per sqm. Column or only minimum wages + Material/Machinery Dress and profit Margin to be calculated.	Rate to be quoted including all expenditure i.e. Minimum Wages, EPF, ESIC, Bonus, Charges towards Material/ Machinery/Dress and profit margin for quoting rates in per month per sqm.
Important Note: One Facility Manager in general shift for overall coordination where QCBS contract is awarded should be deployed by contractor. Whether we have to deploy one no of Facility Manager or not.	Facility Manager condition is not applicable for this tender.
Point No 3 (BOQ, Column 12 & 13 Other Services) in which 780 man days of helpers and 150 man days of sewer man are mentioned, may be cleared that his is the part of the estimate cost or the estimates cost of the work is restricted only up to the column no. 11 of the BOQ only for 07 workers. For your ready reference if we quote only Minimum wages i.e. Rs. 420/- per day per person in front of man days & 150 Sewer man days and remain all the columns nil than the calculation if the same goes to 1,40,61,600/- which makes us difficult to quote the rates. We request to kindly recheck the BOQ for column nos. 12 & 13	Other services like Helper & Sewer man shall be deployed only with approval of Airport Director on demand, which are additional to minimum shift requirement of 07 labours as mentioned in tender document, clause no 29.2. These are additional services may be asked for use if required. Estimate cost includes all the items from Sr. No. 1 to Sr. No 14 mentioned in BOQ.

Manager (Engg-Civil)
AAI, Shimla Airport
