It may be seen from the above that, the firm does not qualify for their work experience under work criteria due to following

- Current Infra-projects Private Limited: Work completion cost of O&M not mentioned in the completion certificate. Work experience is of non-government / non-PSU organizations. TDS certificate for work completion cost not submitted. However, a certificate issued by registered Chartered Accountant submitted for value 376.08 lakhs which is less than work completion cost.

Therefore, we may ask the firm to submit the same in Shortfall Documents.
