The vendors have uploaded the respective required documents in e-portal which were further verified and found to be satisfactory except for the M/s Spectrum and M/s Pooja Buildcon Construction. Accordingly, a final check list has been prepared and as mentioned in above. M/S Spectrum has not submitted the shortfall documents. As per the tender clause, 2.1.3, in page No 06 of 53 "Audited balance sheet for the financial year 2017-2018" and Make/Model in Annexure IX was supposed to be submitted. M/S Pooja Buildcon Construction intimated that they have incorporated their firm in the year 2019 (Not Applicable because firm Establishment date 23rd January 2019), and make/model as per annexure IX not properly given, therefore failed to fulfill the requirements. Hence following three bidders are technically qualified.

1. M/s TELE TECH
2. M/s SD UDYOG TECH
3. M/s RR GUPTA STEEL INDUSTRIES

Submitted for approval and further necessary action please.
