Note No. #34

पिछले पृष्ठों पर सूचनाओं के संदर्भ में। / With reference to noting on previous pages.

The clarification for points mentioned in [Note-31](#) are as follows:

1. The approval of competent authority regarding constitution of committee was taken by [Email communication](#). (The [Email communication](#) is attached in file)
2. The approved NIT ([Page: 24](#)), 1st ([Page: 94](#)) & 2nd ([Page: 98](#)) approved corrigendum are placed in file vide page no. [24](#), [94](#) and [98](#) respectively.
3. The minimum [wage calculation](#) for skilled, semi-skilled and unskilled workers is attached in file (as per the [circular of ministry](#) of labor)
4. [Bid submission](#) report generated from CPP portal is attached in file for the said bidders.
5. Registered office address of participating bidders is verified from master database present on website of Ministry of Corporate Affairs. Snapshot of website are also placed on the file vide page no. [3971](#). As per tender terms and condition, Registered office address of bidder must be in Mumbai. However M/s. Bharat IT services Ltd., (C page 184) has registered office in Delhi, M/s. Ensure (C page 116) has registered office in Chennai and M/s. Jigar stationers & Computers (C page 131) is not registered company under company act 1956 (As there is no record found for this bidder on Ministry of Corporate affairs website database).

In addition to above points, it is intimated that considering the absence of enough competition and various objections received from Bidders, matter was discussed with competent authority. Accordingly upon receiving file back from finance, tender id: "**AAI/WR/IT-02/2020-21**" (**2020_AAI_62875_1**) will be cancelled and process of fresh tender will be started.

Hence, Request for FC towards award of work vide [note-26](#) may be ignored.

File may be forwarded to finance dte to note the above points.
