Sir/Madam,

Name Of Work: **Concession for collection of parking fees and lane management at Bhuj Airport.**

Tender I'd: **2020_AAI_64865**

Technical Bid Opening Date: **25.01.2021**

With reference to the above mentioned tender work, two agencies has participated in a open tender through CPP Portal for Parking work. Following two doubts were raised while scrutinizing the technical Bid.

1).

As per the NIT Document attachment A, Point 10 (i)

"a). Minimum 2 years of Experience (during the last seven years) of managing license for vehicle parking contracts at hospitals, airports, seaports, railways, metro rail stations, public vehicle park area of Municipal corporations, Commercial Complexes"

while the Agency **M/s. Perfect Debt. Parking Management** submitted experience "to keep/park seized vehicles in safe custody". (refer the attachment of M/s Perfect Debt)

This office may kindly advise whether the Experience can be consider as a Vehicle parking Experience or not?

2).

As per the NIT Document attachment B, Financial Capacity:

Minimum Annual Gross Turnover requirement for the applicant (in INR) - **0.20 cr**

in which it has been mentioned that ***"Minimum 10% of annual gross turn over requirement shall be from the same kind of business. The turnover claimed should be congruous with the period in which experience claimed by the agencies."***

You are requested to clarify the minimum 10 % of annual gross turn over shall be from 0.2 cr (minimum required gross turn over) or the Actual Turn over submitted by the Agency?

Your quick response may please be expected so that there won't be much delay in financial bid opening.
