4.0 TEC MEETING & RECOMMENDATIONS

The committee report was scrutinised and a meeting of the designated TEC was again held on 03.03.2020 and following observations vis a vis clarifications received has been made

- i. M/s MST- DSR JV Noida & M/s Nektor Engineers & Project Consultants Pvt Ltd has submitted common CV for CAT -'A' Surveyor viz Commodore (IN) P. Jayapal (Retd). Accordingly, clarification were sought from both the bidders to obtain an undertaking from Commodore P Jayapal and it was mentioned that in case the undertaking is received from both the bidders the marks will not be allotted to both the bidders . However, in clarifications M/s MST DSR has obtained undertaking from Commodore (IN) P. Jayapal (Retd) that he will work with M/s MST-DSR JV Noida and M/s Nektor Engineers and Consultant's has submitted a fresh CV of Cdr P Lakshmana Rao.
- ii. In the interim a second opinion from M/s PwC it has been brought out that the marks should not be given to both the bidders due to conflict of interest as per T&C of the tender. The bidder in case successful may be requested to replace the CV after award of work and therefore no marks to be allotted to both the firms.
- iii. M/s Pan India Consultants Pvt Ltd- The quantum of hydrographic survey work vis a vis the RSAC work order has been self-certified by the firm and not by the client i.e. RSAC UP.

Accordingly, TEC has decided to technically disqualify all three bidders as all the bidders are not able to meet/obtain minimum marks i.e 75. Accordingly, TEC recommends retendering for all the 3 schedules of work.
