

TEC Recommendation

In continuation to TEC's interim recommendation on technical bids, letters have been issued to M/s Veeyens & M/s APM Marines to submit relevant document required for qualification in the technical bid. The requisite documents have been received only from M/s APM Marines and have been incorporated in evaluation as tabled above. As, M/s Veeyens has not submitted the requisite supporting documents within the allotted time till 14.07.2020. Another letter was issued to Ms Veeyens informing to submit required documents on or before 25.07.2020. After which M/s Veeyens has informed to relinquish from the above work. Hence, it is recommended to technically qualify M/s KSINC (already submitted all the relevant documents to qualify the technical bid) & M/s APM Marines and open price bid of both the bidders.
