

TEC RECOMMENDATION

From the technical comparative statement for Annual repair & maintenance of F.J.G-XXI at Farakka, it is found that both the firms i.e M/s SIM Company and M/s French Enterprise has submitted all the requisite documents hence technically qualified and M/s Das Enterprise has not valid bank solvency certificate and not having similar kind of work experience hence technically not qualified and it recommends by TEC to open the financial bid of both the firms i.e M/s SIM Company and M/s French Enterprise and cancel the tender of M/s Das Enterprise for further necessary action at our end.
