Director Appreciation Committee (DAC) has met today to carry out review of SAG level Tender Evaluation Report (TER) of technical proposal in connection with RFT No. MRVC/W/103R1 placed at CP-1(I- 106) of Part VI. It is noted that SAG level Tender Evaluation Committee has sought clarifications and has evaluated completeness, substantive responsiveness, and compliance to EQC for all six bids. DAC has also noted reasonable competition in this RFT and observes that TEC has covered all the aspects in preparing TER and arriving at their recommendations. In view of these, DAC recommends acceptance of TEC's recommendations placed in para 8 of TER at page No. 105 & 106.

CMD MRVC is competent to accept/reject/modify BEC's recommendations as per Railway Board letter No. 2014/Proj/MRVC/4/2 dated 19.9.2017 and Item No. 2 of MRVC's BOD Resolution of 86th Meeting held on 23-03-2018 after review by the DAC comprising DP and DF as per SOP item No. 3.01(b) of Works Tender.
