Total in Figure				19,90,660=00
Nineteen lakh Ninety Thousand Six Hundred and Sixty Only				

Terms and Conditions.

1. Price:-

The above mentioned supply/work will be of total cost Rs **19,90,660=00** (Nineteen Lakh Ninety Thousand Six Hundred and Sixty Only) inclusive of all applicable taxes, GST etc. The prices is up to door delivery basis, which includes freight, insurance, loading, unloading,

installation commissioning and testing and all associated cost related to above mentioned items. No other prices will be paid other than quoted amount.

2. Consignee:-

The supplier has to supply and carry out the installation work of UPS at
O/o Joint General Manager (CNS),
Airports Authority of India, New ATS Block,
CCSI Airport, Lucknow (U.P) 226009

3. Time Schedule:-

The SITC (Supply Installation Testing and Commissioning) work as per the Notice Inviting Tender shall be completed within 30 calendar days from the acceptance of this work order by the supplier. If the supplier fails to complete the SITC work within time fixed under the contract, he shall pay to the AAI without prejudice to any other rights or remedy as may be available to the purchaser, an agreed compensation amount calculated @1 % of the total value of the work per week or part thereof subject to a maximum value equal 10 % of the total contract value.

3. Supply Installation Testing and Commissioning:-

The supplier shall complete the installation and testing as per tender conditions. All goods or material shall be supplied strictly in accordance with the specifications. No deviation from such specifications of these conditions shall be made without purchaser's agreement in writing which must be obtained before any work against the order is commenced. It will be the responsibility of the supplier to submit the system test procedure for conducting the post installation site acceptance testing. The acceptance test procedure on approval by AAI shall become the document for acceptance of the equipment after installation at the site. The draft copy of system test procedure should be made available to AAI for approval before 7 days of the schedule site acceptance date. The system will be commissioned after successful completion of approved SAT, operational & maintenance training and all the works under the scope of the tender.

Note:- SITC will be termed as completed only after successful completion of SAT (Site Acceptance).

4. Warranty:-

The on site warranty for the supplied item and workmanship (SITC) shall be for the period of (02) two year from date of completion of SITC of items. The goods material used by the supplier and its workmanship should be of proper quality so as to fulfill in all respects, the operating condition and other requirement specified in tender document. Manufacturing date of batteries should not be before 3 months of supply to AAI. Warranty cards shall be supplied along with the batteries.

If any trouble or defect originating with the design, materials, workmanship or operating characteristic of any materials arise any time prior to from successful SITC, and the supplier notified thereof, the supplier at his own expense (including freight insurance, duty and customs for items sent for repair) and at no cost to purchaser as promptly as possible make such alternations, repairs and placements at site as may be necessary to permit the functioning of the equipment in accordance with the specifications.

If any trouble or defect originating from the design, materials, workmanship or operating characteristic of any materials arise or un-serviceability of the SITC at any time prior to 24 months from successful Site Acceptance Test & Commissioning and the Supplier

is notified thereof, the Supplier at his own expense (including freight) and at no cost to AAI, as promptly as possible make such alterations, repairs and replacements at the site as may be necessary to permit facilitate the functioning of the equipment in accordance with the specifications.

5.CAMC:-

There will be Comprehensive Annual Maintenance Contract (CAMC) of 03 Years in continuation and just after the 02 years initial warranty period. The CAMC work involves the battery replacement for both the UPS (mentioned in the ANNEXURE A of this work order) in "1st quarter of 1st Year" and "1st quarter of 3rd Year" of CAMC at the cost borne by the supplier.

If any trouble or defect originating from the design, materials, workmanship or operating characteristic of any materials arise or un-serviceability of system at any time during the AMC period and the Supplier is notified thereof, the Supplier at his own expense (including freight) and at no extra cost to AAI, as promptly as possible make such alterations, repairs and replacements at the site as may be necessary to permit facilitate the functioning of the equipment in accordance with the specifications.

6. Payment:-

5.1 The payment shall be made on only after successful completion of Supply Installation Testing and Commissioning (SITC), party shall have to submit a pre-receipted bill in Triplicate along with original delivery challan which shall be forwarded for payment. The payment shall be released after the successful completion of SITC and SAT (site acceptance) only.

5.2 CAMC charges shall be paid by AAI quarterly, after the completion of each quarter for the work done in previous quarter on production of bill, submission of service reports, duly signed by AAI representative and satisfactory performance certificate issued by AAI CNS-In-charge. All the necessary recoveries/ deductions for which firm has made themselves liable for, shall be deducted from the bills before releasing the payment. Payment shall be released within one month after the receipt of bills & other pre-requisites.

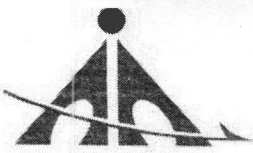

7.Performance Bank Guarantee:-

(Note:-As per GOI orders PBG will be now 3% instead of 10% of the total contract value.)

The supplier has to submit the Performance Bank Guarantee (PBG) of 3% (Three Percent) of the total contract value (i.e Rs 19,90,660=00) from any nationalized bank. The guarantee shall be submitted within 15 calendar days of acceptance of work order by the supplier, and will be valid till 180 days after the end of the contract period (i.e Warranty period + CAMC period + 180 days). In case successful supplier fails to submit the PBG within stipulated period, interest @ 12% p.a. on performance Guarantee amount would be levied (non-refundable) for delayed period of submission and shall be deducted from the first running Bill. In case, supplier fails to submit performance bank guarantee within 60 days, AAI reserve the right to cancel the order.

8. Agreement:-

Supplier or his authorized representative, within 15 calendar days of acceptance of work order, shall contact the AAI CNS-In-Charge & sign agreement on Rs 100 non-judicial stamp paper. Price of non-judicial stamp paper shall be borne by supplier. Failure of the supplier to

comply with this shall constitute sufficient ground for the annulment of this work order/contract.

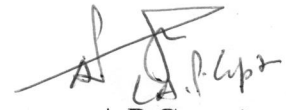

9. E-Payment:-

Payment shall be made through RTGS directly to bank account of the party as per the details submitted for e-payment.

10. AAI GST No:- Kindly mention AAI GST No -**09AAACA6412D1Z6** in the Invoice .

11. All the other terms and Condition will be as per AAI Tender No: AAI/CNS/UPS/20-21/1 and CPP Portal Tender ID: 2021_AAI_66445_1. The terms and conditions mentioned in these documents will govern this contract/work order.

Yours Sincerely,

 22/3/2021
