CORRIGENDUM-2

TENDER ID: 2021_AAI_74283_1

Name of work : Supply of Pavement Testing Machine (Van Mounted Heavy Falling Weight Deflectometer-VMHFWD) for development of Airports.

SH : Cancellation of Tender – reg.

The Technical Bid (Envelope-I) had been opened on 15.04.2021 at 1500 hrs. Two companies had submitted their bids. During the scrutiny of documents, it has been found that there was shortage of required documents.

Accordingly, both the companies were asked to submit the required/balance documents as per the NIT upto 23.04.2021 at 1500 hrs.

Subsequently, CPP portal has been opened on 23.04.2021 at 1500 hrs. It is found that both the companies have not submitted the required/balance documents. Therefore, the process of Technical Bid has not been successfully completed for further action.

Hence, the tender for the subject work stands cancelled.
