Annexures :

II - Undertaking (Submission of bids)
IV - MAF Format (OEM Authorization)
VI - General Compliance
VIII - List of Deliverables
XIII - Performa for extension of time
XV - Neighbouring Bordering Countries Undertaking

III - OEM/Dealership declaration
V - Undertaking (not black listed)
VII - Technical Compliance
X - Undertaking GST
XIV - Check List for FEE Folder- Envelope1

Observations:

It is observed that none of the bidder has filled up the Technical Compliance as per Annexure – VII completely. Most of the bidders have submitted the Annex – XV in a haphazard and incomplete manner. In the corrigendum-5 security threat condition/undertaking were inserted, but so many bidders have not written full text. Some of the bidders have not submitted proper OEM authorisation for NVR, Camera and Switch. Some of the bidders have not submitted proper Make in India (MII) certificate and even not in their letter head and that too without mentioning the percentage of local content. So many annexures have been written by the bidders using AAI logo on the annexures instead of using their own letter head.

Recommendations:

In view of the above, it is recommended that shortfall may be asked from the bidders as follows:

- All the bidders should submit the technical compliance a fresh, filling up all the parameters with the value by the vendor for all the items as per Annexure-VII. At first, technical compliance is to be checked for all the bidders and in case any bidder has not filled up all the parameters with the value as per Annexure – VII (in accordance with the corrigendum -5) for all the items on bidder's letter head, then the said bid should not be considered for evaluation further.
- All the bidders should submit the security threat undertaking in accordance with the corrigendum-5 in the bidder's letter head. In case it is not applicable to the firm/company then it should be mentioned that the undertaking is not applicable to the company, in the bidder's letter head with supporting documents. Otherwise the bid will not be considered for further evaluation.
- All the bidders should submit the Undertaking of Neighbouring Bordering Countries as per Annexure - XV in the company letter head.
- All the bidders should submit the OEM authorisation letter in r/o NVR, Camera and Switches only as per MAF Format given in Annexure-IV.
- All the bidders should submit the Make in India (MII) certificate in bidder's letter head mentioning the percentage of local content. In case it is not applicable to the firm/company for MII, then it should be mentioned that the firm/company is not applied as MII in the bidder's letter head.
