

COMMITTEE REPORT

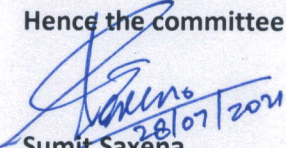

Dated: 27-07-2021

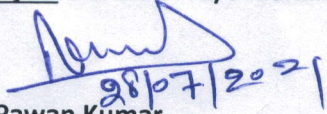

Name of Work: Management of "May I Help You" Counters at Dehradun Airport

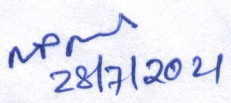

Sub: Evaluation of shortfall documents as recommended by committee and asked through CPP portal.

1. The technical bid of the above mentioned work was carried out by the committee and a report was submitted to Airport Director on 16th July 2021.
2. The committee had recommended inviting shortfall documents from one of the two applicants. Accordingly, the shortfall was invited on the CPP portal from M/s Alankit Limited, on 23rd July 2021 and the last date of submission of the documents was given as 27th July 2021 upto 1000 Hrs. Copy of the shortfall upload document is attached here.
3. The status of shortfall was checked today i.e. 27th July 2021 after completion of stipulated time line. AGM OPS apprised the committee members that the portal was showing "Requested" status and not the "reply" status in shortfall document window. But a document was seen attached at the same place. This document was exactly same as the one submitted in technical bid by M/s Alankit Limited. There is no other document submitted by the agency in lieu of the shortfall documents asked.
4. The committee is of the opinion that:
 - a. The agency i.e. M/s Alankit Limited was given a chance to submit the documents required to ensure the eligibility of the agency but it has not submitted any further document in its support.
 - b. In the documents submitted earlier, the agency has not provided any similar work experience certificate which could be accepted by committee.

Hence the committee recommends to Reject the bid of M/s Alankit Limited.
