

NOTE -1

Subject – Regarding re-tender for CCTV of New Cargo building.

With reference to the tender ID 2021_AAI_89358_1 uploaded on CPP portal dated 24/09/2021 there is been complaint received from vendor on mail dated 11/09/2021 attached with this noting that BOQ part of tender is not accepting total price or its been corrupt while downloading . Further many vendors have mail to extend the date as they are unable to get OEM certificates.

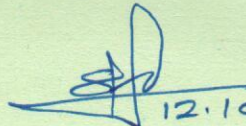

Checked and found BOQ not accepting total price just accepting basic rates only therefore submitting to cancel previous tender & again re-tender of CCTV for New Cargo building for period of 11 days.

Submitting Please
