Subject: Tender Scrutiny - Technical Bid after shortfall Doc - Reg

Sir,

Name of Work: Replacement of Departure Conveyor System and Providing Feeder Conveyors for Existing Arrival Conveyors at Rajahmundry Airport

Tender ID: 2021_AAI_94845_1

Reference to the above subject, please find attached herewith Tender Scrutiny sheet and credentials for the above subject work. The bidder M/s. Fox Solutions Pvt. Ltd. has submitted the completion certificate issued by Arabtec Construction W.L.L. & TAV construction JV, Bahrain alongwith registered Chartered Accountant certificate stating that as the sale was outside India, no TDS was deducted by the said party. The completion cost is in US Dollars. M/s. Fox Solutions Pvt. Ltd. is requested to submit shortfall documents as per NIT that "**work experience certificate from Govt./ PSU organizations or Private organizations with TDS certificate. Otherwise your bid will be processed with available documents**". M/s. Fox Solutions Pvt. Ltd. replied the AAI query that registered Chartered Accountant certified as the sale was outside India, no TDS was deducted by the said party. Considering the reasons of estimated cost and experience qualifying criteria was put in tender in INR and non-submission of TDS documents and hence, rejected.

Submitted for approval of Technical Bid please.

Thanks & Best Regards

HOD, Engg- Electrical
Airports Authority of India
Rajahmundry Airport
