Sir,

Kindly see the trailing mail. In this regard, It is needless to mention here that the transportation charges for two employees are increasing day by day in addition to other expenses. Considering the above, our quote was genuine. However, we cannot turn down your proposal so we agreed to provide the service of trained Paramedic at the negotiated rate of Rs.48,000/- Per month (Rupees forty eight thousand only) instead of our quoted amount Rs.49500/-.

Yours faithfully,
