

CORRIGENDUM-1

Tender ID/E-Bid No: 2021 AAI 98662 1

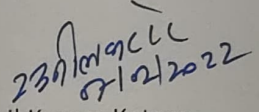

With Reference to NIT NO : AAI/BHOPAL/CNS/TEST EQUIPMENT/2021 dated 17/12/2021 for the work of "Calibration of CNS Test Equipments available at Raja Bhoj Airport Bhopal"

The Bids were opened on 10.01.2022 by the approved committee members and found there were 02 Bidders participated. Technical Evaluation of both the bids carried out by the following members of the approved committee and found Shortfalls in the Documents submitted by both the bidders. Shortfalls intimated to both the bidders for submission by 20.01.2022 till 1700 Hrs. On 21.01.2022 checked the response from both the bidders, M/s Northlab has responded but one Document i.e. Power of Attorney (PoA) was again not in prescribed format and M/s Precision has not responded. Again, intimated the shortfall document to M/s Northlab and extended the date for submission of Shortfall Documents to 27.01.2022 till 11:30Hrs for both the Bidders.

i. **M/s Northlab** is responsive but showing losses for FY 2018-19, FY 2019-20 and not submitted the ABS for FY 2020-21 as the same is under Audit delay due to covid and hence as per Para 7 of NIT Document not Qualified in Technical Bid.

ii. **M/s Precision** is found unresponsive and not qualify in Technical Bid.

As none of both the bidders eligible for opening of Financial Bid (Envelope-II) the NIT process is hereby cancelled with due approval of Competent authority.
