Convenor has stated that one of the budgetary quotations out of three considered for estimated cost was from the M/s IPEC Consultant, Delhi – 110077. As compared to their budgetary quotation, rates offered by them in the tender for individually items are varying by (-)60% to (+)60%.

It is seen that the total offer cost is 10.60% higher than estimated cost. It is also seen that, rates of Schedule items 1,2,3 & 4 quoted by the firm is much lower than estimate rates. Further rates of schedule items 5, 6 & 7 quoted on higher side. It is also noted, the tender estimate is based on average budgetary quotations, not on LAR. Tender Evaluation committee noted that the offer cost is on higher side and only one offer received i.e. there is lack of competition even though wide publicity was given in all leading newspapers. TEC is of the opinion to discharge this tender and re-invite.
