2/3

* **M/s Woodhill Infrastructure Ltd. & M/s Dev Yash Projects & Infrastructure Pvt. Ltd.:-** As per the requirements of the Clause 2.2.2.8 (i), A Bidder is required to provide the Audited Annual Reports for the Last 5 Financial Year in support of its Financial Capacity. However, the Bidder in its submission has not submitted the same for Financial Year 2019-20.

A Clarification was also sought in this regard from the Bidder, but in its replies the Bidder has not yet submitted the same and thus, the Bidder is not considered for further Bidding process of this project.

** **M/s Mundan Construction Company & M/s Radhakishan Infra Developers Pvt. Ltd.:-** As per the requirements of Clause 2.2.2.3 (i) of the RFP, The Bidder shall have a minimum Net Worth (the "Financial Capacity") of Rs. 25.92 Crore at the close of the preceding financial year.

However, in the present case, Other Member i.e., Radhakrishna Infra Private Limited have a Net Worth of Rs. 17.15 Lakh only which is less than 20% of the financial capacity required as per Clause 2.2.2.4(i) of RFP.

So, the Other Member does not meet the eligibility Criteria of Net Worth. Hence, not considered for the next stage of Bidding.

*** **M/s SRSC Infra Private Limited & M/s Rajinder Infrastructure Pvt. Ltd.:-** As per the requirements of Clause 2.2.2.3 (i) of the RFP, The Bidder shall have a minimum Net Worth (the "Financial Capacity") of Rs. 25.92 Crore at the close of the preceding financial year. In case of lead member as per Clause 2.2.2.4(i) of RFP 60% financial capacity is required.

However, in the present case, Lead Member i.e., SRSC Infra Private Limited does have a Net Worth of Rs. 9.54 Crore only which is less than 60% of financial capacity as per Clause 2.2.2.4(i) of RFP.

So, the Lead Member does not meet the eligibility Criteria of Net Worth. Hence, Not considered for the next stage of Bidding.

**** **M/s Sobti Infratech Limited & M/s R P Infraventure Pvt. Ltd.:-** As per the requirements of clause 2.2.2.2 (i) of the RFP read along with Clause 2.2.2.4 (i), the Lead Member shall meet at least 60% requirement of Bid Capacity, Technical and Financial Capacity and each of other JV members shall meet at least 20% requirement of Bid Capacity, Technical and Financial Capacity individually.

However, the Lead Member in its submission has claimed a technical experience score of only Rs. 309.51 Crores which is less than the minimum requirement of Rs. 311.02 Crores (i.e., 60% of Rs 518.37 Crores).

Now, since the Lead Member fails to fulfill the minimum qualification criteria as per the requirement of Clause 2.2.2.2 (i) read along with Clause 2.2.2.4 (i) of the RFP, therefore, the Bidder is not considered for further Bidding process of this project.
