NHAI/BM/Raipur-Vishakhapatnam/AP/IE/Pkg-I/2021

Dated: 17.11.2021

To

All Bidders (As per list enclosed)

Sub: Consultancy services for Independent Engineer services for Supervision of Development of six lane access control of Raipur-Visakhapatnam Economic Corridor under Bharatmala Pariyojana from Design Chainage km 365+033 Aturu to Design Chainage 421+100 Korlam in the state of Andhra Pradesh on HAM Mode (Package-I).- **Final Technical Result - Reg.**

Ref: (i) Bids submitted on 17.05.2021 for the above mentioned work.

Dear Sir,

Kindly refer NHAI letter dated 08.09.2021 vide which result of technical evaluation was intimated to the bidders and bidders were given opportunity to respond within seven days (i.e. upto 14.09.2021), in case of any objection.

2. The representations were received from below-mentioned 5 bidders:

S.No.	Name of Applicant
1	M/s Dhruv Consultancy Services Limited in Joint venture with M/s Global Infra Solutions and in association with M/s KAIUS Consulting Private Limited
2	M/s SA Infrastructure Consultants Private Limited in association with M/s Upham International Corporation
3	M/s K & J Projects Pvt. Ltd. in association with M/s HBS Infra Engineers India Private Limited
4	M/s Feedback Infra Private Limited in Joint venture with M/s SATRA Services And Solutions Private Limited
5	M/s Highway Engineering Consultant in a Joint Venture with M/s G-Eng Advisory Services Private Limited

3.1. The representations as received have been examined by the constituted Evaluation Committee and reply to the representation as approved by Competent Authority is enclosed at Annexure- I.

3.2. As per details provided by the bidder vide letter no. HEC/NHAI/IE/Raipur-Vishakhapatnam/2021-22/1337 dated 25.08.2021 and information available with NHAI, the Technical capacity of **M/s Highway Engineering Consultant in a Joint venture with M/s G-Eng Advisory Services Private Limited** was calculated considering 10(ten) **AE/IE/SC consultancy works of weightage equivalent to 8.05 assignments** awarded in current Financial Year. Though the bidder in its reply stated that their remaining Technical capacity is 1.0, the calculated technical capacity of the bidder comes out to be (-1.90). As a result, the bidder has failed in Technical capacity and was declared as Non-Responsive and ineligible for opening of Financial Proposal.

3.3. The bidder M/s K & J Projects Pvt. Ltd. in association with M/s HBS Infra Engineers India Private Limited has updated their Updated Technical Capacity disclosing that they have been awarded new AE/IE/SC assignments; as a result, the Technical Capacity of the bidder has become negative (-0.90). For the evaluation of Updated Technical Capacity, only those key professionals were considered who were disclosed by the bidder in their original technical proposal; any new key professionals were treated as new submission and have not been considered for evaluation of the Updated Technical Capacity. As a result, the bidder M/s K & J Projects Pvt. Ltd. in association with M/s HBS Infra Engineers India Private Limited has failed in Technical capacity and was declared as Non-Responsive and ineligible for opening of Financial Proposal by the Evaluation Committee.

3.4. The CV of Mr. Bandaru Venkateswarlu, proposed as Senior Pavement Specialist by the bidder M/s SA Infrastructure Consultants Private Limited in association with M/s Upham International Corporation, 4 marks were allotted instead of 2.5 due to inadvertent typographical error in the criterion "*Experience in similar capacity on PPP Projects (of length 40% of project length (23 km) or more of similar configuration (2/4/6 laning**) and above*)". The marks have been corrected and hence, the marks for the bidder are revised accordingly.

4. In view of the above considerations, the result of technical evaluation is as under-

S. No.	Name of Firm	Original Technical Score	Final Technical Score	Remarks
	Maximum Marks	100.00	100.00	
1	M/s SA Infrastructure Consultants Private Limited in association with M/s Upham International Corporation	93.86	95.77
