"It is pertinent to note here that the DPR project for upgradation to 6/8 lane of the Aroor-Thuravoor Thekku stretch has already been awarded to M/s Highway Engineering Consultants and survey & geotechnical Work for the same has been completed. Further, you are also directed to not go ahead with any new construction work in alignment approved for 16 projects of NH-66 under Economic Corridor in Kerala and ensure the safety of road users through implementation of short term rectification measures." (Copy enclosed)

2. In view of the above, due to cancellation of Flyover construction, there will be no use of construction of Service Roads and FOB, considering the direction of NHAI HQ, the Letter of Acceptance(LoA) issued vide RO-Kerala letter No. 11144/RO-Kerala/Blackspots/Notch India/1339 dated 06.10.2021 to M/s Notch India Projects is withdrawn and stands cancelled.
