## Note-2: Colossal Construction

- In Project “C” Bidder has claimed the experience of Construction of **Limited Hight Subways** under Category 3. However, as per the provisions of RFP the experience of construction of Subway Projects cannot be considered under any category. Bidder was asked to clarify with some proof, how this project can be considered under any Category as per the provisions of the RFP. Bidder in its replies has mentioned that we have claimed the experience of Construction of Limited Hight Subways under category 3 because of this work is like VUP and Railway Project.  
The Reply submitted by the bidder is not justified. As per the provisions of RFP the experience of construction of Limited Hight Subways cannot be considered under any category. Further, no proof justifying the claim of bidder is attached.
- In Project “B” to “D” Bidder has claimed the experience of **construction C.D works under RIDF-XXI** under Category 3. However, as per the provisions of RFP the experience of construction C.D works under RIDF-XXI Projects cannot be considered under category 3. Bidder was asked to clarify with some proof, how these projects can be considered under **Category 3** as per the provisions of the RFP. Bidder in its replies has mentioned that *“We have claimed the experience of Construction of CD work under RIDF-XXI under category 3 because this work is minor bridges on state roads under PWD not a core sector work.”*  
Reply submitted by the bidder is not justified. As per the provisions of RFP the experience of **construction C.D works under RIDF-XXI** cannot be considered under Category 3. Further, no proof justifying the claim of bidder is attached.  
**Further, Bidder has still not provided the UDIN for certificates provided by Auditor for project code “A” to “D”. which is required as per the guidelines issued by the ICAL. In the absence of UDIN, certificates from the SA for the same may not be considered as valid. Therefore, all projects claimed by the bidder may not be considered for evaluation and Technical Threshold Capacity of the bidder may be considered as NIL.**  
**Therefore, the Bidder fails to meet the minimum eligibility criteria Technical Capacity, specified in Clause 2.2.2.2 of RFP and recommended Not eligible for opening of Financial Bid.**
