

Ropeways Division

15th November 2021

Subject: In-principal Approval for calling of Limited Tender for 'Traffic Survey and Analysis for the Implementation of Haridwar Ropeway'-reg

The above-mentioned project has been awarded to WAPCOS by Uttarakhand Metro Rail, Urban Infrastructure & Buildings Construction Corporation Limited. (UKMRC). As per scope of work, Traffic/Tourist Surveys are required for Ridership Estimation of Ropeway.

In this regard, it is required to conduct the detailed traffic/Tourist survey and analysis for the project area i.e., along the alignments Railway station to Tulsi Ghat, Singh Dwar to Har ki Pauri, DDU Parking to Mansa Devi Temple, Tulsi Ghat to Chandi Devi Ghat, Prem Nagar Ashram to Daksheshwar, Dudhadhari to Bharat Mata Mandir. The tentative cost of the work is Rs. 19.00 Lakh Plus GST.

The following surveys are required to be conducted in the project area.

- Traffic Volume Count / Turning Movement Count Surveys (6 Locations) – 3 days – 24 hrs
- Origin and Destination Surveys (5 locations) – 7 days – 24 hrs
- Midblock Surveys (5 Locations) – 3 days -24hrs
- Willingness to shift and willingness to pay surveys (14 Locations). – 100 samples per station
- Parking Surveys (DDU, Railway Station, Harki Pauri, any other parking available in project area). – 3 days – 24 hrs

Considering the urgency of work, approval may kindly be accorded to call a limited Tender for conducting the detailed traffic surveys and analysis from the following firms:

1. M/s Saksham Survey Solutions, Delhi
2. M/s GPS technologies Pvt. Ltd., New Delhi
3. M/s Aakash Group, Lucknow

The Notice Inviting Tender (NIT) is enclosed for approval, the limited tender may be called with 7 Days of submission time. The work shall be awarded on the basis of lowest quotation (Least Cost Basis) for the work.

The following committee is proposed to carryout tender related works.

- 1) Penmetsa S. Raju, Sr. Engineer
- 2) Ms Geeta Chutani, Dy. Manager (Admin)
- 3) Shri Harsh Kamra, DCM (F)

Submitted for approval please.
