

**TECHNICAL BID EVALUATION SUMMARY**

**Subject:** - Technical Evaluation Report of (CAMC) of IT infrastructure at Imphal International Airport for 02 years.

Tender was published on CPP portal for CAMC of IT infrastructure at Imphal International Airport for 02 years, dated 24.01.2022.

**Tender ID:** 2022\_AAI\_102697\_1

The Technical Bid was opened on 08.02.2022 by the approved committee. Six parties/vendors have participated in the bid for CAMC of IT infrastructure at Imphal International Airport for 02 years.

After evaluation the committee observed some shortfall in documents of all bidders. And Committee recommended to ask shortfall documents from the bidders and given two days to submit the shortfall documents.

During evaluation of valid Dealership certificate, committee observed that bidders are unable to provide certificates for all the OEM companies as asked in the tender document. Hence committee recommended to not consider Dealership certificate criteria during technical evaluation for all the bidders for fair competition.

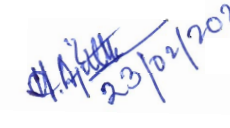

After re-evaluation of the shortfall documents of bidders who submitted shortfall documents, the committee observed that

1. The following five bidders satisfied Tender Terms and Conditions and qualify for financial bid.
  - a. M/s Vareli Tecnac Pvt. Ltd
  - b. M/s HUE Service Pvt Limited
  - c. M/S Chandra Enterprises
  - d. M/s JAYASAN Infoware (P) Ltd
  - e. M/s WizerTech Informatics Pvt. Ltd.
2. One bidder M/s ACS System Solutions did not provide relevant documents as per tender T&C and also not responded when asked for shortfall documents.

Hence committee recommends to open financial bid for the technically qualified bidders by the financial bid opening committee.
