Remarks The Shortfall document for non complied items sought, but no one has submitted. Further the email received from CNS stores on 18/05/2022 states that Experience and Turn over conditions can be relaxed to MSME firms. It is mentioned in the tender documents para 9 (iii) in section IV. Since all the firms are registered as MSME, these non-compliances can be exempted. Therefore all the three firms are qualified for participating Financial Bid.
