

Note # 33

DGR tender was published on date: 16/05/2022. All the three agencies listed in the **requisition letter dated 08/03/2022** received from DGR participated in the tender.

Technical Bid was opened on 25/05/2022, and the shortfalls in the document was intimated to the bidders, for which they submitted all the documents. All the three bidders were technically eligible.

On opening of financial bid on 31/05/2022, it was found that M/S Ajay Dabur Security agency quoted 0.1% rate for service charge which made them the L1 bidder.

On contacting the agency, they stated that they have quoted wrong service charge in the BOQ. A copy of mail is attached on Page-177, in which M/S Ajay Dabur Security Agency has stated that:

1.By mistake they have entered incorrect percentage service charge in the BOQ.

2.It is not possible for our agency to provide security and allied services at that rate.

The service charge rate of DGR is fixed i.e 10%.

In such case, Re-Tendering has to be done. Kindly accord approval for the same.
