| 8  | Supply of Glass Dome of inner height 15.6 cm with thickness 3 mm and inner dia. 7.5 cm complete with gasket, etc. suitable for Landing 'H' indicator for bi-Pin type LED Lamps.                                                                                                                                                                  | 10  | Each | 500.00  | 5000.00  | INR Five Thousand Only                         |
| 9  | Supply of Blue Lens suitable for Thorn make elevated Omni directional LED type Medium Intensity Taxiway Edge Light Fitting as required.                                                                                                                                                                                                          | 10  | Each | 1250.00 | 12500.00 | INR Twelve Thousand Five Hundred Only          |
| 10 | Supply of 50 A fuse, 700 VAC, 200kA 22x58 mm, HF Type, cylindrical fuse (For 7.5 KW ATG Make CCR)                                                                                                                                                                                                                                                | 15  | Each | 950.00  | 14250.00 | INR Fourteen Thousand Two Hundred & Fifty Only |
| 11 | Supply of 160 A, 120 KA NH00 Fuse Make siemens or equivalent suitable for 30 KW CCR Nasu Make.                                                                                                                                                                                                                                                   | 15  | Each | 500.00  | 7500.00  | INR Seven Thousand Five Hundred Only           |
| 12 | Supply of 63 A, 120 KA NH00 Fuse Make siemens or equivalent suitable for 30 KW CCR Nasu Make.                                                                                                                                                                                                                                                    | 15  | Each | 500.00  | 7500.00  | INR Seven Thousand Five Hundred Only           |
| 13 | Supply of 63 A, 120 KA NH00 gG Fuse Make siemens or equivalent suitable for 30 KW CCR Nasu Make.                                                                                                                                                                                                                                                 | 15  | Each | 500.00  | 7500.00  | INR Seven Thousand Five Hundred Only           |
| 14 | Supply of 3 Phase Switch interrupter of 80 A, Make ABB Model No OT63E3 suitable for ATG Make CCR                                                                                                                                                                                                                                                 | 5   | Each | 2000.00 | 10000.00 | INR Ten Thousand Only                          |
| 15 | Supply of 12 W, LED Bulb, Cool Day Light base B22 suitable for Landing 'H' Indicator (Make: Philips Stellar Bright B22 or Equivalent) as required.                                                                                                                                                                                               | 20  | Each | 125.00  | 2500.00  | INR Two Thousand Five Hundred Only             |
| 16 | Supply of 09 W, LED Bulb, Cool Day Light, base E27 suitable for wind direction Indicator (Make: Philips E27 or Equivalent) as required.                                                                                                                                                                                                          | 5   | Each | 150.00  | 750.00   | INR Seven Hundred & Fifty Only                 |
| 17 | Supply of Thread Type Screw Base Socket Lamp Holder (porcelain/plastic) suitable for wind direction Indicator.                                                                                                                                                                                                                                   | 10  | Each | 250.00  | 2500.00  | INR Two Thousand Five Hundred Only             |
| 18 | Supply of power converter with output voltage of 34V DC capable of internally illuminating the existing LED signboards with uniform brightness when operating from 2.8A to 6.6A in Taxiway Circuits.                                                                                                                                             | 20  | Each | 3800.00 | 76000.00 | INR Seventy Six Thousand Only                  |
| 19 | Supply of LED strip of size 700mm x 20mm having 11 LEDs, each of high luminous long life 0.5 W LED assembled on aluminium PCB of minimum thickness 2mm for ensuring proper heat dissipation with provision of single non reversible jack at one end for easy replacement of strip at site etc. suitable for illumination of guidance signboards. | 20  | Each | 550.00  | 11000.00 | INR Eleven Thousand Only                       |
