Item No.1: Shifting of Van Mounted Heavy Falling Weight Deflectometer (VMHFWD) in a mechanically driven closed body single car carrier truck/trailer with inbuilt hydraulic ramps including extending necessary help while loading/unloading, in accordance with enclosed terms and conditions along with skilled driver and labour to be provided by transporter, as per the direction of the Engineer-in-charge.

Since this item is not covered in the Delhi Schedule of Rates of CPWD, as per **Clause 37.4.2 of AAI Works Manual**, justified rate has been prepared based on minimum value of the Rate/km collected from the transporter by sending e-mail. Justified cost of work = (75×35000)
