4. M/S SHEETAL PRASAD CONTRACTOR
5. M/S UPCEM ENGINEERING & CONSULTANCY PVT LTD

Offer of M/s Rama Technology was not considered technically qualified as per TBA submitted by Indenting Department.

Reason for Rejection: As per TBA submitted by Indenting department, M/s Rama Technology has submitted following POs:

1) Ref. No.: NK/FW/5757/467/2016/ dated /05/2016 by Hindustan Aeronautics for an amount of 2,42,55,786 for construction of Inflamable/Explosive Storage facility for DG set at LCA-HAL Nasik Division. The Industry type in this work order is not matching as per Technical BEC requirement.

2) Ref. no.: LT/146/26525768 dated 12.08.2020 for Dismantling of existing 14" FO/UG line at NMPT Jetty10 & laying of 12" new AG/UG line at Jetty10 along with pipeline support, pump installation & related miscellaneous civil & mechanical works for bunkering facilities at IOCL Mangalore terminal. As the executed/completed value of relevant services as per BEC requirement was not clearly mentioned in the aforesaid work order/completion certificate, Bidder was requested to submit the work completion certificate issued by end user clearly mentioning the executed value against relevant services as per BEC requirement. However, against technical query Bidder has not submitted the same.

3) Ref. no.: 21001206-OS-10157 dated 06.09.2021 by Hindustan Petroleum Corporation Limited for Mech & Associated work. As per SOR details the jobs are inclusive of supply of items. As the executed/completed value of relevant services as per BEC requirement was not clearly mentioned in the aforesaid work order/completion certificate, Bidder was requested to submit the work completion certificate issued by end user clearly mentioning the executed value against relevant services as per BEC requirement. However, against technical query Bidder has not submitted the same.
