MISCELLANEOUS:

All obligations arising out of labour deployment, labour laws and to meet the necessary statutory requirement would solely lie on the contractor/transporter. He would be solely responsible for safety and security of manpower and materials.

AWARD OF THE CONTRACT:

Contract shall be awarded on overall lowest price basis.

FUEL ESCALATION:

The quoted rates shall remain firm during the contract period and no escalation will be granted on whatsoever ground, including among other, increase in the cost of spares / tyres or levies as mentioned above.

However, the rate shall be subject to variation on account of increase/decrease in the price of high speed diesel (HSD) as officially announced by Government of India from time to time. The variation in rate (increase/decrease) shall be calculated on the basis of following rate of HSD consumption:

@ 10 KM per liter for truck/vehicle capacity less than 6 MT

@ 6 KM per liter for truck/vehicle capacity 6 MT

@ 5 KM per liter for truck/vehicle capacity 9 MT

@ 3 KM per liter for truck/vehicle capacity 15 MT onwards

In case mileage is not available or mention for all type of vehicle then manufacturers provided mileage will be applicable for vehicle.

Price of HSD as prevailing at Dibiyapur (Distt, Auraiya) shall be considered. The above variation in freight rates shall be undertaken only if the variation in the price of HSD is $\pm 5\%$ from the base rate of HSD (i.e. price of HSD prevailing on 1ST working day of the month in which the technical bids are opened). The quoted rates shall be based on HSD price at Dibiyapur (Distt Auraiya, UP) as prevailing on the date of opening of techno-commercial bid.

Fuel escalation charge = $R \times I/N$

Whereas R = Total K.M. run (including extra km)

I = Increase/decrease Price of fuel/per ltr)

N = Mileage of the vehicle

1.1 Fuel charges variation for escalation/de-escalation/Extra km define at SCC will be re-imburse.
