Technical criteria:

Bidder has submitted the copy of Purchase order number 5300033919 dated 30.12.2020 for Service contract for replacement of oil water separator (10-VV-202) & heat exchangers (12-EA-201A,202, 207, EC-202) installed in GCU and inspection of steam drums during shutdown at GAIL PATA. Also submitted Provisional execution certificate ref no. GAIL/PATA/MECH/GCU/5300033919/2022 dated 13.06.2022, however, date of completion & Weight of the equipment were not mentioned on the execution certificate as per BEC requirement of the tender. It was observed from dismantling and erection plan submitted by the bidder that total 250 MT weight lifted (equipment empty weight: 84 MT + COKE deposited inside vessel :166 MT), Accordingly, TQ was raised to submit completion certificate indicating date of completion & Weight of the process equipment, in response bidder has submitted the completion certificate with details of PO no, completion date & executed amount but no details of weight of the process equipment was mentioned and along with completion certificate bidder has submitted erection plan & SOW against said PO and it was mentioned that empty weight of the process equipment is 84 MT to be dismantled. As such bidder is not meeting BEC-technical criteria S.No.1.1 of the tender, therefore bid is rejected technically.

Commercial Criteria:

Working Capital number mentioned in the submitted format F-10 was not available on UDIN portal generated vide UDIN no: 22074626BCFDBR7302, However, bid is considered unresponsive without making further queries because bidder has not been qualified BEC-technical criteria of the tender.
