

Note # 4

As per TC, M/s SPS Construction and Engineering Works cannot be qualified in technical bid straight way in EQC-1 in absence of clarification of doubt about “ **whether RCC Box culvert can be considered as an FRAMED RCC STRUCTURE as mentioned in definition of similar works,**”

Therefore, accepting authority vide letter dated 26.09.2022, asked to M/s SPS Construction and Engineering Works to submit clarification /opinion regarding **whether RCC Box culvert is similar to that of a FRAMED RCC STRUCTURE from NIT/IIT or any reputed Govt. Engineering College, within 7 days.** Copy of IRCON's letter placed at CP Page no.586

M/s SPS Construction and Engineering Works, vide E MAIL dated 30.09.2022 submitted the letter of clarification from Visveswaraya National Institute of Technology, Nagpur, dated 30.09.2022 where in it has mentioned that, "**RCC Box construction is similar to construction of framed RCC structures**" Copy of the VNIT is placed at CP Page no.587

With above clarification /opinion, from VNIT, Nagpur, bid shall be qualified under EQC-1.

It is also pertinent to mention here that, we have received only one bid & also there was no enquiry by any bidders during the process of Tender.

Hence, a TC recommendation for Technical Bid is **ACCEPTED.**

Please process for opening of Finance bid on 03.10.2022.
