- 2.2 The quoted rates are based on market rates obtained through limited tender and that are below estimated cost.
- 2.3 The tender was invited on limited tender basis and five (5) nos. bidder had participated. Based upon evaluation, the offer of lowest bidder i.e. M/s. Constell Consultants Pvt Ltd is below than the tender estimated cost by 1% (i.e. Rs. 35,64,966.24). The L-2 Bidder has quoted 7.5% above i.e. Rs. 38,71,049/- The difference between L-1 and L-2 is 8.5 % i.e. Rs. 39,07,059/-. The rates quoted are between 7.5 % to 9% there is enough competition between the bidders and the rates of L-1 bidder are quite competitive as compared to the other bidders. Hence, the rates offered by M/s. Constell Consultants Pvt Ltd are quite competitive, reasonable and Justified
