

TEC Recommendation

From the above comparative statement, it is found that M/s SIM Company, M/s French Enterprise and M/s Sabita Udyog has submitted all the requisite documents hence technically qualified, M/s G.J.P Enterprise is not considered for technical evaluation as the firm has not submitted the signed copy of tender documents hence technically disqualified and M/s Anjan Kumar Ghosh has submitted all the requisite documents except the similar work done and not submitted the details of machine and equipment. Hence it recommends by TEC to issue a letter to M/s Anjan Kumar Ghosh to submit the short document online within a week for further necessary action at our end.
