

Sub: Recommendation of TEC regarding E-tender for the work of construction of attached Toilet and wash- Room behind OIC chamber at NINI - reg.

Reference to the above and based on the comparative statement by the committee members, only one bidder, out of two bidders, has fulfilled the criteria of technical bid.

Therefore, as per the recommendation of the committee, the tender may be cancelled on technical reasons due to the single bid and fresh tender may be floated at the earliest.

Committee Recommendation is placed in file.

Submitted for further directives and approval please.
