

7.0 RECOMMENDATIONS:

On the basis of above detailed deliberations, the Tender Evaluation Committee makes the following recommendations:

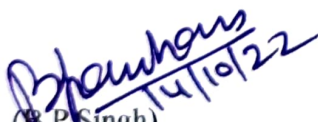

- (A) **Accept the offer of M/s Texmaco Rail & Engineering Ltd Mumbai-093, L-1 tenderer at the total cost of Rs. 14,13,29,222.50/-excluding GST but including all other taxes, duties, and levies (Rs. Fourteen Crore Thirteen Lakh Twenty Nine Thousand Two Hundred Twenty Two and Paise Fifty only without GST).**
- (B) As brought out in detail in reasonability of rates, it can be seen that the rates by the L1 tenderer are considered reasonable on overall tender prices and there is wide variation in item-wise quoted rates. Considering this, the TEC proposes that *"All the rates of items mentioned in Annexure- V shall not be referred as LARs in future tenders and estimates and specific mention of the same be made in LOA"*. It is also recommended that list of all items with offered rates exceeding 50% of the quoted rates be given to field executives for close watch and that an internal control mechanism be set with instruction to the field executives as under:-

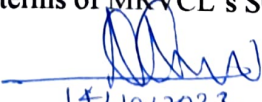

"Field executive in charge of the work shall ensure that these high rated items identified and circulated shall be kept under close watch and any positive variation in these items be avoided to the extent possible and if essentially required to be done, the same shall be only with finance concurrence and approval of accepting authority i.e. CEE/GM(Electrical)".

- (C) Item no 4(b)i, 16(a)ii, 18 and 34.18 may not be required in main line section of VR-DRD ,hence these items shall not be operated.

8.0 ACCEPTANCE:

Acceptance/Rejection/Modification of Bid Evaluation Committee's Recommendations is within the Power of GM (Electrical), in terms of MRVCL's SOP of Works Matter Item No.2.01 (a).
