

## Minutes of Meeting

Date : 06.05.2022

Name of Work : Consultancy Services for preparation of Feasibility Study and Detailed Project Report for 2-lane with paved shoulder configuration of (i) Kopargaon to Aurangabad (Karodi Junction) (Length-80 Km.) Section of NH-752I and (ii) Jalna – Pulgaon (Length – 285.450 Km.) Section of NH-753C in the State of Maharashtra– Reg.

\* \* \*

The Committee evaluated the technical bids of all the Bidders. The Comparison Statement and Bidder-wise evaluation is as follows:

| Sl. No. | Name of the Bidder                                                                                                                                        | Marks obtained |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| (i)     | M/s. AICONS Engineering Private Limited in association with IVI Ventures Private Limited                                                                  | 87.17          |
| (ii)    | M/s. C.E. Testing Company Private Limited in association with Infra Design Studio Private Limited                                                         | 91.76          |
| (iii)   | M/s. Global Infra Solutions JV Artefact Projects Limited in association with M.S. Consultant                                                              | 92.57          |
| (iv)    | M/s. K & J Projects Private Limited in association with SEG Engineering Services Private Limited                                                          | 95.78          |
| (v)     | M/s. L.N. Malviya Infra Projects Private Limited in association with Intratech Civil Solutions & Consultant                                               | 96.41          |
| (vi)    | M/s. Lion Engineering Consultants Private Limited in association with Synergy Engineers Group Private Limited                                             | 95.31          |
| (vii)   | M/s. MSV International INC. in association with CIVIDESIGN Consultant Private Limited                                                                     | 95.25          |
| (viii)  | M/s. Technogem Consultants Private Limited JV with Dhruv Consultancy Services Limited in association with Shibani Engineers & Consultants Private Limited | 96.74          |
| (ix)    | M/s. Theme Engineering Services Private Limited in association with Ishita Info Solutions Private Limited                                                 | 96.24          |
| (x)     | M/s. YONGMA Engineering Co. Limited in association with Spectrum Techno Consultants Private Limited                                                       | 95.43          |

2.0 As per RFP, the firm qualifies technically, if it scores 75 marks/points in technical evaluation.

3.0 The summary of Technical Capacity of the Firms is furnished below:

| Sl. No. | Name of the Firm                                                                                  | Remaining capacity for new projects (nos.) |          | Whether eligible for opening of Financial Bid |
|---------|---------------------------------------------------------------------------------------------------|--------------------------------------------|----------|-----------------------------------------------|
|         |                                                                                                   | DPR                                        | IE/AE/SC |                                               |
| (i)     | M/s. AICONS Engineering Private Limited in association with IVI Ventures Private Limited          | 3.0                                        | 2.0      | Yes                                           |
| (ii)    | M/s. C.E. Testing Company Private Limited in association with Infra Design Studio Private Limited | 3.0                                        | 2.0      | Yes                                           |
| (iii)   | M/s. Global Infra Solutions JV Artefact Projects Limited in association with M.S. Consultant      | 3.0                                        | 2.0      | Yes                                           |
