7. However, the Bidder i.e. M/s Annanmar Constructions, Salem, even though furnished work experience for having 5 span of 7.6 m which qualifies the bidder w.r.t. technical criteria, it was not substantiated *whether the submitted work experience is involved in construction of High Level Bridge (with 5 span of 7.6m) and if so, the bidder needs to confirm the cost of the construction of said High Level Bridge is to be minimum of Rs.4.42 Crore*, to comply with instructions set-forth in RFP. Since, the same was not submitted in full shape, the Committee unable to ascertain the qualification of the bidder w.r.t. Technical Criteria. As such, the bidder was requested to furnish justification/compliances for qualifying in technical evaluation.
8. Upon obtaining compliances from the bidder, it has been observed that, experience certificate issued by the EE, WRD, Special Project Division, Tirunelveli reveals as the Bridge Project quoted by the bidder has the 5 spans of 7.6 m which satisfies the technical criteria w.r.t. Span details. However, the mentioned similar bridge project cost is amounting to Rs. 1.75 Crore only which does not qualify in the technical criteria set forth in Clause 2.2.2.2 (iii) of RFP along with 20% estimated Project Cost i.e. a minimum of Rs. 4.42 Crore financially w.r.t. submitted Bridge work experience to qualify in technical evaluation. The abstract summary of the Technical Evaluation is as under;

S. No	Name of Bidder	Bid ID	Recommendations
1	M/s Annanmar Constructions, Salem	409137	<i>Disqualified</i>
2	M/s TTK Constructions, Madurai	409661	Qualified
3	M/s Eagle Earth Movers Private Limited, Tiruchengode	409740	Qualified

Detailed Technical Evaluation is under Annexure-A

9. In view of the above, the Committee recommends to accept the bids received from (i) M/s TTK Constructions, Madurai and (ii) M/s Eagle Earth Movers Private Limited, Tiruchengode upon complying with the technical criteria as per RFP and considered the bid received from M/s Annanmar Constructions, Salem as "Non-Responsive" citing non-compliance towards the specific technical criteria set forth in RFP even after given an opportunity to justify the eligible bridge project. Committee further decided to meet at a convenient date to open & evaluate financial bids of the technically qualified bidders upon approval of Competent Authority.
