***M/s Raj Corporation Ltd.:**

In clarification the bidder has not provided any substantial proof for eligibility under clause 2.2.2.2 (ii) of RFP. In absence of the same we are unable to assess whether the bidder has executed the complete bridge work or executed the only balance work of major bridge. Therefore, reply of the bidder may not be considered and the bidder is declared as non-responsive bidder as per clause 2.2.2.2(ii) and 3.1.5 of RFP.

^M/s Bharat Constructions (India) Pvt. Ltd.- M/s Ram Kumar Contractor Pvt Ltd. (Bharat-RKCPL) (JV):

Bidder, Jointly & Severally (RKCPL), is not meeting the minimum criteria as per clause 2.2.2.1 & 2.2.2.4 of RFP.

Total Bid Capacity of the Bidder is 777.58 crore against the minimum requirement of 796.31 crore.

Bid Capacity of other Member (RKCPL) is 67.72 crore against the minimum requirement of 159.26 crore.

As per required clause of RFP the certificate of value of work completed regarding calculation of Bid Capacity should be signed by "Client or its Engineer-in-charge not below the rank of Executive Engineer or equivalent". But the applicant has neither provided the said certificate in bid nor its clarification.

Lead Member has claimed 08 projects for the calculation of Bid Capacity while calculating value of B we have considered project Serial No. 1 as per valid supporting certificates. For project at Sr. no. 07 & 08 the bidder has not submitted any certificate of value of work done duly certified by "Client or its Engineer-in-charge not below the rank of Executive Engineer or equivalent" and for remaining projects at s. no. 2, 3, 4, 5, 10, 11 & 12 the bidder has submitted certificates signed by Resident engineer /Team leader / Bridge Structural Engineer/ Sr. bridge engineer/ Bill signed by the bidder, therefore full value of work is considered as incomplete. Accordingly, the assessed value of bid capacity comes out to be Rs. 709.85 cr. against requirement of Bid capacity i.e. Rs. 477.79 cr.

Other Member has claimed 09 projects for the calculation of Bid Capacity while calculating value of B we have considered project Serial No. 01 to 04 as per valid supporting certificates. For project at Sr. no. 07 the bidder has not submitted any certificate of value of work done duly certified by "Client or its Engineer-in-charge not below the rank of Executive Engineer or equivalent" and for remaining projects at s. no. 5, 6, 8 & 9 the bidder has submitted certificates signed by Resident engineer /Team leader / Bridge Structural Engineer/ Sr. bridge engineer/ Bill signed by the bidder, therefore full value of work is considered as incomplete. Accordingly, the assessed value of bid capacity comes out to be Rs. 67.72 cr. against requirement of Bid capacity i.e. Rs. 159.262 cr. and the bidder stands disqualified under Clause 2.2.2.1 of RFP.

Note :- The technical result as above is for seven days. Thereafter, Financial bids of responsive bidders will be opened.
