### Result of Technical Bids

Tender ID: 2022\_NHAI\_139085\_1

Dated: 13.09.2023

To,

All the Participated Bidders

(As per table below)

**Sub.:** Construction of new 4 lane Prayagraj Southern Bypass from design km. 43.200 (near Mahuari) to design km. 50.860 (near Nababa urf Nibi Kala Uparhar) (design length 7.660 km) **Package-2** under Phase-I on NH-19 in the state of UP under Bharatmala on EPC mode [Tender ID: 2022\_NHAI\_139085\_1]

Sir,

This has reference to RFP submitted for above subject project. The result of Technical Evaluation of the bids received along with reasons for their non-responsiveness are tabulated below:

| S. No. | Name of the Bidder                                                                  | Status                | Remarks                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| 2.     | Kalpataru Projects International Limited                                            | Responsive & Eligible | -                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| 3.     | Transrail Lighting Limited - OJSC Euro-Asian Construction Corporation (EVRASCON) JV | Non-Responsive        | Other Member i.e. Evrascon has provided the details of ongoing commitments (Value of B) dated 22.08.2023 for bid capacity duly certified from its statutory auditor. However, document submitted was not Apostille. Clarification was sought from the Bidder regarding apostille and updated bid capacity details as on Bid Due date (i.e. 24.08.2023). Bidder along with its replies has submitted the updated details along with an undertaking that, 'if we are declared as the lowest bidder then we will submit the Apostille copy for Value of B before issuing of LOA'. Based on above facts, Bidder is considered as non-responsive due of non submission of <u>duly apostille certificate</u> . |
| 4.     | PNC Infratech Ltd                                                                   | Responsive & Eligible | -                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| 5.     | GPT Infraprojects Limited                                                           | Non-Responsive        | Bidder is not qualifying the criteria of Bid capacity pursuant to clause 2.2.2.1 of RFP and Technical capacity pursuant to clause 2.2.2.2 (ii) of RFP.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

**Bid Capacity** - As per RFP, Bidder is required to provide the supporting documents/certificates duly countersigned by the Client or its Engineer-in-charge not below the rank of Executive Engineer or equivalent in respect of EPC Projects or Concessionaire/Authorised Signatory of SPV in respect of BOT Projects for amount of work completed/ Balance value of work w.r.t. ongoing commitments (value of B). Documents provided by the bidder were either not visible or not signed by executive engineer and above or value of work done was not found in the certificates.

Clarification was sought from the bidder for above. Bidder along with its replies has submitted the copy of completion certificates instead of supporting documents/certificates duly countersigned by the Client or its Engineer-in-charge not below the rank of Executive Engineer or equivalent in respect of EPC Projects or Concessionaire/Authorised Signatory of SPV in respect of BOT Projects for amount of work completed w.r.t. ongoing projects. In the absence of above stated certificates the full contract value of ongoing projects is considered as balance work for calculation of B and accordingly Bid Capacity of the Bidder is calculated.

Based on the documents available in the bid, bidder is not qualifying the criteria of bid capacity.

**Technical Capacity** - As per clause 2.2.2.2 (ii) of RFP, at least one similar work of 20% of Estimated Project Cost Rs. 199.75 crore shall have been completed from the Eligible Projects in Category 1 and/or Category 3 specified in Clause 2.2.2.5. For this purpose, a project shall be considered to be completed, if more than 90% of the value of work has been completed and such completed value of work is equal to or more than 20% of the estimated project cost.

Bidder has claimed a project in the bid i.e. "Construction of Important and major steel girder bridges ....doubling in Jhansi division in the state of Uttar Pradesh".

As per the client certificate submitted for the project, 'Revised Contract value after final variation' is Rs. 176.27 cr. only and after applying updation factor it works out to Rs. 193.897 cr only against the requirement of Rs. 199.75 cr.

Clarification was sought from the bidder for above.

As per the information provided by the bidder, the value of completed work i.e. Rs. 191.02 cr is inclusive of price variation and differential payment received towards GST. Further, revised value of contract is Rs. 176.27 cr. only and accordingly updated value works out to be Rs. 193.89 cr only which is less than the requirement of Rs.

Ltd. | Responsive & Eligible | -                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| 11. | Jandu Construction India Private Limited    | Non-Responsive        | Bidder is not qualifying the criteria of Technical capacity pursuant to clause 2.2.2.2 (ii) of RFP i.e. at least one similar work of 20% of Estimated Project Cost Rs. 199.75 crore shall have been completed from the Eligible Projects in Category 1 and/or Category 3 specified in Clause 2.2.2.5. For this purpose, a project shall be considered to be completed, if more than 90% of the value of work has been completed and such completed value of work is equal to or more than 20% of the estimated project cost.<br>Bidder has submitted a work completion certificate for a project of NHIDCL. As per the said certificate, Contract cost of the project is Rs. 199.49 cr. and progress on 31.03.2023 is 94.30%. Further, amount of Payments received and certified dated 31.03.2023 is Rs. 203.38 cr. However, actual value of work done as on 31.03.2023 was not mentioned in the said certificate. Therefore, clarification was sought from the bidder for the same.<br>Bidder along with its replies has submitted the same certificate of NHIDCL. As per the information available, it is not clear that whether the payment receipts i.e. Rs. 203.38 cr claimed by the bidder is inclusive or exclusive of GST. Therefore, the subject project may not be considered and hence, bidder is not qualifying the criteria pursuant to clause 2.2.2.2 (ii) of RFP.<br>Based on above facts, bid submitted by the bidder is considered as non-responsive |
| 12. | HG Infra Engineering Limited                | Non-Responsive        | Bidder is not qualifying the criteria of Technical capacity pursuant to clause 2.2.2.2 (ii) of RFP i.e. The sole Bidder or in case the Bidder being a Joint Venture, any member of Joint Venture shall necessarily demonstrate additional experience in construction of Major Bridge/ROBs/Flyovers in the last 10 (Ten) financial years preceding the Bid Due Date i.e. shall have completed at least one similar Major Bridge/ROB/Flyover having span equal to or greater                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
