Corrigendum-3

Work: "Concept, Designing, Commissioning and Management of AAI Pavilion during WINGS India 2024 event at Begumpet Airport, Hyderabad on 18-21 January, 2023"

(Tender ID: 2023_AAI_176250_1)

Report of technical evaluation by the approved committee was uploaded on CPP portal under "Technical Evaluation" head. But due to some technical glitch on the portal, two bidders (M/s Vivid India Advertising & Marketing Pvt. Ltd. and M/s Akar Advertising & Marketing Pvt. Ltd.) who were rejected (as per tender conditions, already mentioned in the evaluation report issued vide No. F-28080/5/2023-CC/77 dtd 21-12-2023) while uploading technical evaluation report, were shown as accepted in the next stage, i.e. opening of financial bid. Accordingly, opening of financial bids could not be completed.

2. Hence, as per procedure, the (Online) opening and evaluation of technical bids is required to be revoked in CPP Portal so that acceptance & rejection of bidders can be done again and "Financial Bids" can be opened correctly in respect of technically qualified bidders.

3. Further clarifications/corrigendum/details in this regard, if any, shall be uploaded only on CPP Portal: <https://etenders.gov.in/eprocure/app>.
