

in this bid.

- iv. Since there is single bidder in this limited tender, hence this limited tender shall be considered as single tender during process of approval/negotiations to agency for tendering to M/s Gulzar Singh & Company on higher rates which may take unusual time.

In view of above fact & huge loss to IRCON & complications involving additional time for series of expected negotiations & approvals of this tender, it is proposed to discharge this tender and go for fresh open tender in two packet system to save the precious time.

As per SOP Clause no 5.1.1.(b), Acceptance/ Modification/Rejection of Tender Committee Recommendation is with AGM/C(PH).
