

The proposal for invitation of tender through E-procurement system to be invited with two LOTs as per AIIB guidelines has been approved by competent authority. (NP-7/1-2) and the bid document has been vetted by finance subject to certain observations (NP-8,9) and approved by competent authority (NP-10). The estimated cost for the subject work is as under:-

- a. Estimated cost for 22 nos. Escalators Rs. 11,11,00,000/- + GST (18%) = i.e.
Rs. 13,10,98,00,000/-
- b. Estimated cost for 15 nos. of Elevators Rs. 2,39,70,00,000/- + GST (18%) = i.e.
Rs. 2,82,84,600/-

Net Total Cost -

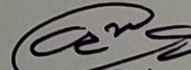

Rs. 15,93,82,600/-with GST.

As per item no 3.01(a) of works matter, in case of two packet system, TEC for Technical Evaluation shall be as per highest estimated cost of individual packages. However, after opening financial bid, the TEC may have to be revised as per lowest bid. In case of multiple contract packages, it will be as per highest of the lowest bids for various packages. In the present case two firms have submitted their offer. TEC will comprise of 3 members of JAG level,

- i. One from concerned executive department
- ii. One from Finance and
- iii. One from other executive department

It is requested to nominate officers from JAG level for evaluation of tender for the subject work.
