

12.0 संस्तुति (Recommendations)

उपरोक्त विचार विमर्श के उपरांत बी.ई.सी. सिफारिश करती है.

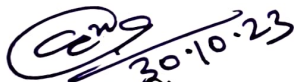

- (A) **Accept the offer of M/s Texmaco Rail & Engineering Ltd.,** L-1 tenderer at the total cost of **INR 5,27,60,330** (INR Five Crore Twenty-seven Lakh Sixty Thousand Three Hundred and Thirty only) excluding GST and **INR 6,22,57,189** including GST @ 18% & all other taxes, duties, and levies are reasonable and acceptable on unit rates and overall basis.
- (B) As brought out in detail in reasonability of rates, it is seen that there is variation in some of the items in quoted unit rates w.r.t estimated/LARs rates, however it can be seen that the rates offered by the L1 tenderer are considered reasonable on overall tender cost. Considering this, the TEC recommend that
- i. "3 no's item (Item code 34.3 (a)-Erection, 36-Erection and 37-Erection), to be given to field executive with the internal control mechanism be set with instruction to the field executive's as under: -

Field executive in charge of the work for the respective schedule shall ensure these high rates items identified shall be kept under close watch and any positive variation in these items be avoided to the extent possible and if essentially required to be done, the same shall be only with finance concurrence and approval of accepting authority i.e., GM (Elect.).

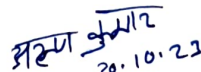

The above remark should be specifically mentioned in the LOA.
