

Telecommunication Management Experience.

contractor should have successfully completed within the qualifying period i.e. the last three financial years and current financial year up to date of opening of the tender (even though the work might have commenced before the qualifying period), at least one **Similar Work*** costing not less than **INR 327 Lakh including GST**.
The Similar work* is defined as under-

Folio No. 397 & 398

***Definition of Similar Work** - "Similar Work" shall mean any Signal/Telecom/combined work which includes Supply of Signalling/Telecom cables, Supply & Installation of Passenger Information of Suburban Train Indicator Display Boards, Handicapped Bleepers, Computerized Passenger Announcement System and trenching & laying of Signalling/Telecom cables."

Considering above facts, M/s Teletech services, Mumbai, sole Tenderer does not comply to Mandatory Condition Numbers 3.2.5 & 3.3.2, therefore is concluded to be ineligible and offer is treated to be invalid for award of this contract. Tender Committee therefore recommends that since there is no valid offer, the Tender is to be discharged and to be reinvited after reviewing the terms & conditions of the contract.

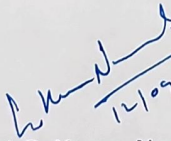

11. RECOMMENDATIONS

Based on above detailed deliberations, Tender Evaluation Committee recommends discharging the Tender and to be reinvite after reviewing the terms & conditions of the contract.

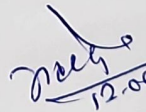

Acceptance/rejection/modification of Tender Evaluation Committee recommendations are within the power of GM S&T, in terms of Item No. 2.01(a), Schedule 1, Works Matter of SOP issued in July 2022.
