

(B) As brought out in detail in reasonability of rates, it is seen that there is variation in some of the items in quoted unit rates w.r.t estimated/LARs rates, however it can be seen that the rates offered by the L-1 tenderer (4/4) are considered reasonable on overall basis as it is lower by 10.23% compared to estimated rates. To control the variation in these item, internal control mechanism set with instruction to the field executive's as under:

- The field executive in charge of the work for the respective schedule shall ensure that 4 high rates items (Item Code C.5- Laying of cable up to 70 sq.mm. cable, D.10.1.a-Supply of 6ft HVLS fans, J.1.1.a-Supply of double side LED Sign Board, J.1.2.a-Supply of single side LED Sign Board) identified are kept under close watch and any positive variation in these 4 items be avoided to the extent possible
